SCENOGRAPHY

JANÓW PODLASKI CASTLE****

A newly opened, four-star Conference and Recreation Centre. Janów Podlaski Castle is the effect of dreams and passions and love for history and the desire to create a unique place in which comfort and modernity harmonise with clean, undisturbed nature.

Picturesquely located in the heart of the “Podlaski Przełom Bugu” Landscape Park, the Castle dates back to the fifteenth century, and the preserved walls of the Castle are from the eighteenth century.

ROOMS

In the walls of the eighteenth-century Castle, in the side wings and in the main outbuilding, unique rooms for guests have been prepared. Each room is equipped with a table and comfortable, stylish armchairs.

In some rooms, natural brick and decorative elements of historical walls have been preserved. Traditional accents, bright, spacious windows, modern equipment and paintings hung from the bed headboards from the foundation of Lena Grochowska create a unique atmosphere, a sophisticated combination of history and modernity..

RESTAURANT

The hotel restaurant “U Biskupów” is the realisation of the idea of history connected with modernity .

A combination of international cuisine with flavours inspired by the local culinary tradition allows to enjoy exquisite dishes of the world's cuisine and newly discovered dishes of the regional cuisine..
